INDICATIVE TERS - CURTIN UNIVERSITY OF TECHNOLOGY

NOTE:
• You cannot repeat course codes.
• Curtin has listed Indicative TERs for each of its courses, to give applicants an indication of the TER normally required to enter each particular course. The Indicative TERs are a **guide** only to the eventual TER required for each Curtin course in 2009, which will only be known after all offers have been made.

• Please also check the Curtin course information via Course Search, as not all details are recorded here.
• High performing students may be considered for courses without meeting all prerequisite requirements.
