The Cut-off TER is defined as the TER of the last Year 12 school leaver to be offered a place in the course.			
n/a designates that offers in the course are not based solely on a TER.			
- designates that no eligible school leaver was available to be offered a place in this course on the basis of their TER			
The eligibility rank is the minimum TER to be eligible for consideration for the course,			
subject to places being available.
