

# CURTIN UNIVERSITY

## NOTE:

• You'll need to use course codes for applying or changing preferences. You can also find these codes and course information using the 'Course Search' function on TISOnline. For most courses, you'll be selected for admission to university in 2019 on the basis of your ATAR/Selection Rank.

Curtin has listed Guaranteed ATARs/Selection Ranks for most of its courses. If you achieve the Guaranteed ATAR/Selection Rank for a course, you are guaranteed acceptance into that course, provided you also achieve WACE, English Competency and a scaled score of 50 or more in the ATAR course prerequisites listed for the university course. Remember, though, that the actual offer you receive will depend on your preference order. Some courses have no Guaranteed ATAR/Selection Rank listed, as they use additional selection criteria (such as UMAT, audition, interview, etc) and/or have limited places available. If you're eligible for Curtin's StepUp program, you will have a Selection Rank which is higher than your ATAR.

Minimum ATARs/Selection Ranks have also been provided by Curtin for most of its courses. Minimum ATARs/Selection Ranks show you the rank needed to be considered for entry to a course. However, obtaining these ranks is not a guarantee of being selected for a place in these courses. Some courses will have N/A for the minimum ATAR/Selection Rank, where an ATAR is not applicable due to emphasis on other eligibility criteria.

For most courses, information on the lowest, highest and median ATARs and Selection Ranks

- Where external study is indicated, the course may be available in full or in part for study by correspondence or online (marked with <sup>7</sup> or <sup>8</sup>).
- Also read the Curtin course information via Course Search, as not all details are recorded here.
- Check codes carefully as some courses are offered at more than one campus.
- High performing students may be considered for courses without meeting all prerequisite requirements.
- N/A means that a rank isn't applicable due to emphasis on audition, interview, presentation of portfolios, past experience, etc.
- All courses lead to a Bachelor degree except where indicated.
