

EDITH COWAN UNIVERSITY

NOTE:

- You'll need to use course codes for applying or changing preferences. You can also find these codes and course information using the 'Course Search' function on TISCOOnline. For most courses, you'll be selected for admission to university in 2018 on the basis of your ATAR/Selection Rank.
- ECU has listed Guaranteed ATARs/Selection Ranks for most of its courses. If you achieve the Guaranteed ATAR/Selection Rank for a course, you are guaranteed an offer for that course, provided you also achieve WACE, English Competency and a scaled score of 50 or more in the ATAR course prerequisites listed for the university course. Remember, though, that the actual offer you receive will depend on your preference order. Some courses have no Guaranteed ATAR/Selection Rank listed, as they use additional selection criteria (such as UMAT, audition, interview, etc) and/or have limited places available.
- Minimum ATARs/Selection Ranks have also been provided by the universities for most of their courses. Minimum ATAR/Selection Ranks show you the rank needed to be considered for entry to a course. However, obtaining these ranks is not a guarantee of being selected for a place in these courses. Some courses will have N/A for the minimum ATAR/Selection Rank, where an ATAR is not applicable due to emphasis on other eligibility criteria.
- If you're eligible for the ECU Access pathway, your ATAR will be increased and you will have a Selection Rank which is higher than your ATAR. See www.tisc.edu.au or pages XX and XX in this Guide for information on Selection Ranks.
- * Indicates a course has prerequisites.
- # Requires separate application to ECU for interview and/or audition to be arranged.
- ^ Available as a separate Bachelor degree.
- † Some majors available in this course may only be available exclusively at either Joondalup, Mount Lawley or off campus.
- @ The first year only of the course is offered at ECU South West (Bunbury). Students will be required to relocate to Joondalup to complete their course.
- The University Preparation Courses (UniPreps) are available free to Australian Citizens, New Zealand citizens and Australian Permanent Residents.
- The first two letters of the course code indicate the following:
 EA = Audition/Interview Required EB = South West Campus (Bunbury) EP = University Preparation Course
 EJ = Joondalup Campus EM = Mount Lawley Campus
- Check codes carefully as some courses are offered at more than one campus.
- N/A means that a rank isn't applicable due to emphasis on audition, interview, presentation of portfolios, past experience, etc, or the course has an intake quota.
- All courses lead to a Bachelor degree except where indicated.
