

INDICATIVE TERS (ATARS) - CURTIN UNIVERSITY OF TECHNOLOGY

NOTE:

- You cannot repeat course codes.
- Curtin has listed Indicative TERs (ATARs) for each of its courses, to give applicants an indication of the TER (ATAR) normally required to enter each particular course. The Indicative TERs (ATARs) are a **guide** only to the eventual TER (ATAR) required for each Curtin course in 2010, which will only be known after all offers have been made.
- Please also check the Curtin course information via Course Search, as not all details are recorded here.
- High performing students may be considered for courses without meeting all prerequisite requirements.
- Please see TISC website for tables of Curtin Science courses and Double Degree courses
