

INDICATIVE TERS - EDITH COWAN UNIVERSITY

NOTE:

- You cannot repeat the same course code (may include a code for a different campus).
- ECU has listed Indicative TERs for each of its courses, to give applicants an indication of the TER normally required to enter each particular course. The Indicative TERs are a **guide** only to the eventual TER required for each ECU course in 2009, which will only be known after all offers have been made.
- *Indicates a course has prerequisites.
- All course codes with a 'C' at the end are Commonwealth Supported (CSP) and are available to all Australian Citizens, New Zealand Citizens and Permanent Residents. The University Preparation Course (UPC) and UPC (Education Assistant Program) course codes ending in 'C' are available to Australian Citizens while those ending in an 'F' are available to New Zealand citizens and Australian Permanent residents on a fee paying basis only.
- The first two letters of the code indicate the following:
 EA = Audition/Interview Required EB = South West Campus (Bunbury)
 EG = Geraldton Regional Centre EJ = Joondalup Campus
 EM = Mount Lawley Campus EO = Off Campus
 EP = University Preparation Course
- Please check codes carefully as some courses are offered at more than one campus.
