### Eligibility for University Courses

Each university has a message indicating your eligibility to be considered for its courses based on your achievement in WACE ATAR courses.

Satisfying admission requirements is not an indication that you will receive an offer to any particular course. Selection for particular courses is subject to course prerequisites, having a competitive ATAR or Selection Rank for that course, and any other course-specific criteria.

If you are eligible for university based on criteria other than ATAR, this will not be reflected here.

### Universities Admission Advice Letter

Available only to current students with a scaled score in at least one Year 12 course. You can download your results and ATAR information from TISC's website, for free, until 1 March of the following year.

To purchase a hard copy on official TISC stationery, log in to TISC's website.

After 1 March, purchase using the Application for Record of Results in the Downloads and Forms area on TISC's website.

**THE UNIVERSITY OF WESTERN AUSTRALIA** Competence in English: Achieved - conceded on the basis of your scaled score **ATAR/Selection Rank 67.65**

Unfortunately, on the basis of your results, you have not satisfied the admission requirements for courses at The University of Western Australia. However, if you are eligible through one of UWA's entry pathways, you will be automatically assessed and advised by UWA Admissions of your eligibility to the University.

This is not an offer letter. To be considered for most courses you need to have achieved specific selection requirements. These may include a suitable ATAR/Selection Rank, WACE, competence in English and prerequisite(s). <results release date>

Your **Australian Tertiary Admission Rank (ATAR)** is a number which reports your position relative to other students. For example, an ATAR of 70.00 indicates that you have performed better than 70% of the WA Year 12 school leaver age population.

ATARs below 30 are not reported.

The ATAR is calculated in two steps.

First, TISC calculates your Tertiary Entrance Aggregate (TEA) by adding your best 4 scaled scores\* plus 10% of your best scaled score in one LOTE (Language Other Than English) course, if any, plus 10% of your scaled score(s) in Mathematics Methods and/or Mathematics Specialist.

\*Subject to accumulation and unacceptable combination rules.

Second, each TEA is then converted to an ATAR using a method which includes consideration of the number of students with a TEA and the total WA population of Year 12 school leaver age. This preserves your rank position as measured by your TEA. A summary of the current TEA to ATAR conversion is on TISC's website [www.tisc.edu.au](http://www.tisc.edu.au).

**ATAR/Selection Rank**  
Based on additional criteria, universities may assign you a Selection Rank that is higher than your ATAR for admission to their courses. If this applies to you, your Selection Rank for the particular university is shown. In all other cases, your Selection Rank is your ATAR.

**Course Data** lists the scaled scores you achieved in WACE courses.  
**Note:** Scaled scores for courses are not the same as the course scores issued by the School Curriculum and Standards Authority (SCSA). Only scaled scores can be used to calculate the ATAR. Past years' courses are listed only if used in the ATAR calculation.
