

HOW DO I APPLY VIA TISCONLINE?

If you already have a User ID (your 2020 WACE candidate number) and a default password

1. Go straight to step 3

If you have no User ID

2. Register on TISOnline and receive User ID.
Set own password.
Don't register if you have User ID but have forgotten what it is – email info@tisc.edu.au for assistance.

Now you've reached step 3, complete all steps through to 11

3. Thoroughly check information on www.tisc.edu.au

4. Login to online application system on www.tisc.edu.au, using User ID and password and start application, following prompts

5. Choose at least one preference (university course)

6. Provide details of previous and current studies/qualifications

7. Declare application (accept application conditions)

8. Choose payment option:

- Online with credit card
- By mail
- In person at TISC

9. Print coversheet and read it carefully

10. Pay application fee

11. Upload to your TISC application all supporting documentation requested on coversheet

Remember: You can stop part-way through your online application at any stage, save what you've done, and complete it another time, subject to closing dates.

Until the fee's paid, TISC won't activate your application.

Also, until the fee's paid, you can't access (or even see) a number of online menu items (including change of preferences).

Note: You'll need to log in to your application to access/see some online menu items.
