 - The GP practice/school/bank/work place/university should be in or around the same rural area you are providing support for residing. If not, the letter needs to clearly detail how the author is able to confirm the rural address history and time periods. The professional letter of support must be official on letterhead and include, if from a GP their AHPRA registration number or official practice stamp.

- Supporting documentation needs to support 5 years consecutive or 10 years cumulative rural residing.
- School reports are not sufficient documentation as we need to clearly see your rural residential address.
- You cannot claim time in the future as part of the 5 or 10 years, as there is no way to establish proof that you will continue to reside in a rural setting.
