TISC Executive Officer

## DISCLAIMER

The universities reserve the right to change the content and/or method of presentation and/or the method of assessment of any units of study, to withdraw any unit of study or program which they offer, to impose limitations on enrolment in any unit or program, and/or vary arrangements for any program.

Enquiries regarding university admissions requirements should be directed to the individual university(ies) concerned. TISC and the participating universities cannot accept liability for any incorrect advice received from sources other than TISC, the universities or the universities' officially appointed agents.

## PARTICIPATING UNIVERSITIES

Curtin University	Murdoch University
Edith Cowan University	The University of Western Australia

## COURSES ACCEPTING STAT AS AN ADMISSION PATHWAY

The following tables list the courses at Curtin University, Edith Cowan University, Murdoch University and The University of Western Australia, which are offered through TISC. Each course for which STAT is accepted as an admission pathway in 2021 is indicated, and the STAT elements considered for those courses are identified. The universities may have additional requirements for some courses, and you should contact the university(ies) for advice before booking STAT and before applying for a university place.
