FOREWORD

This brochure provides information on which courses accept the Skills for Tertiary Admissions Test (STAT)* as an admission pathway to the five participating universities in Western Australia.

To be eligible to sit STAT, you must be an Australian or New Zealand citizen or a permanent resident of Australia who will be 20 years of age or over before 1 March 2026. If you do not meet this requirement, there may be other circumstances that allow you to sit STAT, please check the [TISC website](#) before proceeding.

This information is correct as of September 2025 and is based on information provided by the participating universities at the time of publication. The information in this brochure is relevant only for admission in 2026 and is subject to change without notice.

*Formerly known as the Special Tertiary Admissions Test (STAT).

DISCLAIMER

The universities reserve the right to change the content and/or method of presentation and/or the method of assessment of any units of study, to withdraw any unit of study or program which they offer, to impose limitations on enrolment in any unit or program, and/or vary arrangements for any program.

Enquiries regarding university admissions requirements should be directed to the individual university(ies) concerned. TISC and the participating universities cannot accept liability for any incorrect advice received from sources other than TISC, the universities or the universities' officially appointed agents.

PARTICIPATING UNIVERSITIES

Curtin University
Edith Cowan University
Murdoch University
The University of Notre Dame Australia
The University of Western Australia

COURSES ACCEPTING STAT AS AN ADMISSION PATHWAY

The following tables list the courses at Curtin University, Edith Cowan University, Murdoch University, The University of Notre Dame Australia, and The University of Western Australia, which are offered through TISC. Each course for which STAT is accepted as an admission pathway in 2026 is indicated, and the STAT elements considered for those courses are identified. The universities may have additional requirements (such as pre-requisite courses at Year 12 level) for some courses.

Fees apply to sit STAT. Current fee information is listed on [TISC's website](#). STAT may not be the most appropriate entry pathway for all applicants with work and life experience – TISC

strongly encourages potential candidates to seek advice from the university/ies where they wish to study before booking for STAT.

APPLYING FOR UNIVERSITY USING STAT AS AN ADMISSION PATHWAY

Booking for and sitting STAT is a separate process to actually applying for university. If you are not a current-year Year 12 student, and are using STAT as your admission pathway, TISC recommends that you contact the university where you wish to study to confirm the preferred method of application – this may be via TISC, or direct to the university.

If you sit STAT in Western Australia, your results will be electronically available to the five WA universities. You will not need to provide them with a copy of your results.

THE UNIVERSITY OF WESTERN AUSTRALIA

Where it is possible to enter a course on the basis of STAT results, the following indicates the STAT requirements for entry to UWA courses in 2026. Note: WE = Written English test, MC = Multiple Choice test. Applicants wishing to demonstrate competence in English via STAT must sit both the Written English and Multiple Choice tests.

Students wishing to apply for a course where STAT is not accepted should apply for one of UWA's [STAT eligible](#) degrees and transfer to their preferred course, usually after one or two semesters. In most instances, this will not extend the duration of the preferred degree course.
