2 UAAL AND ATAR CERTIFICATE ORDERS
3 UNIVERSITY OFFER DATES
4 PREDICTED ATARS AND EARLY OFFERS
5 UNIVERSITY APPLICATIONS – DEADLINES
6 UNIVERSITY APPLICATIONS – DOCUMENT SUBMISSIONS
7 STAT AND YEAR 12 STUDENTS
8 TISC REPORTS AVAILABLE TO SCHOOLS
9 TISC PRESENTATIONS TO SCHOOLS IN 2027
10 PAYMENT FOR THIRD-PARTY APPLICATIONS
11 SUBSCRIBE TO TISC UPDATES

1 YEAR 12 RESULTS ONLINE

All 2026 WACE students with at least one ATAR course scaled score, will be able to access their TISC Universities Admission Advice Letter (which includes scaled scores, ATAR and eligibility information for universities for the 2027 admission year) via the TISC website at www.tisc.edu.au.

Results will be available from **Sunday 20 December 2026**. The TISC phone lines will be open from **10.00am – 1.00pm** on **Sunday 20 December** to answer enquiries. TISC advises all 2026 Year 12 students to log in to TISCOnline in the week leading up to results release, to ensure their user ID and password is working.

- If students have not logged in to TISCOnline before, remind them of the default password (details found here).
- If students have logged in to TISCOnline before, they can use the Forgotten Password function as required. The password reset instructions will go to the email address with which they registered – please remind them this should **not be a school email address.**

2 UAAL AND ATAR CERTIFICATE ORDERS

For those who wish to order official copies of their results, TISC offers two options – the Universities Admission Advice Letter (UAAL) and the ATAR certificate.

Students can order these documents when lodging their TISC application, or via the Registered User Functions section. This can be done even if the student is not applying for university through TISC. The cost is $35.00 for the first copy and $20.00 for each additional copy in the same order for any combinations of the two documents.

For students who intend to apply to universities overseas, we strongly recommend ordering one of these documents. There have recently been cases of overseas universities questioning the validity of results where a student has merely supplied a download of the UAAL from TISCOnline, as this doesn't contain a QR code for verification.

3 UNIVERSITY OFFER DATES

The first major round of offers for Year 12 students will be available from **Thursday 24 December 2026** with another major round of offers available on **Wednesday 20 January 2027**. The time between offer rounds is an opportunity to seek advice from TISC and/or the universities if an applicant did not receive an offer or is unsure about their options.

Students may change preferences as many times as they wish, subject to closing dates.

4 PREDICTED ATARS AND EARLY OFFERS

TISC would like to remind schools, parents and students that the ATAR calculator on the TISC website **should not be used to predict future ATARs.** Simply adding together a student's four best school-based subject scores (not the scaled scores issued by TISC) is not a valid predictor of a student's likely TEA and should not be used to predict an ATAR.

TISC is continually working with universities and other stakeholders to improve communication around the early offer process; feedback on how we can improve this to benefit students is always welcome.

5 UNIVERSITY APPLICATIONS – DEADLINES

Potential applicants should be aware of courses that have early closing dates:

- **CLOSED**
    - Bachelor of Science in Veterinary Biology/Doctor of Veterinary Medicine at Murdoch University (TISC course code **MUSVB** for school leavers and **MUSVV** for non-school leavers).
    - Bachelor of Medicine and Bachelor of Surgery at Curtin University (TISC course code **CUMBS**)
    - Doctor of Medicine via Bachelor of Biomedicine (Specialised) at The University of Western Australia (TISC course code **UG056**)
    - Doctor of Dental Medicine via Bachelor of Biomedicine (Specialised) at The University of Western Australia (TISC course code **UD056**)
- Monday, 30 November, 11.59pm AWST
    - Bachelor of Exercise and Sport Science (Assured Pathway) into Master of Physiotherapy at The University of Notre Dame (TISC course code **NDEXP**)

TISC applications for most courses are still open at www.tisc.edu.au, and will remain open until **20 December 2026** (for Main Round offers) and **13 January 2027** (for Second Round offers).

TISC encourages applicants to complete their applications as soon as possible to give themselves maximum flexibility when results are released.

6 UNIVERSITY APPLICATIONS – DOCUMENT SUBMISSIONS

Year 12 students may need to upload supporting documents. Check this page, particularly the headings "Supporting documents" and "Extra submissions".

Applicants who were completing a Certificate IV or Diploma qualification during Year 12 should upload the qualification award certificate (not a printout of results) to their TISC application as soon as they receive it, to ensure timely assessment of their application.

If the qualification was completed through a WA TAFE or Fremantle Education Centre, TISC can obtain confirmation of completion directly from the provider, however the student is still encouraged to upload the qualification to prevent any delays. If the qualification was completed through any other Registered Training Organisation, the student **must** upload the correct documentation, or they may miss out on an offer.

Applicants who have selected Experience Based Entry as a method of entry should ensure they have uploaded all relevant documents required by the university/ies.

7 STAT AND YEAR 12 STUDENTS

STAT is not intended as a standard entry pathway for Year 12 students. However, students who complete **English ATAR, Literature ATAR, or EAL/D ATAR**, but do not achieve university competence in English, may book **STAT Written English** as a final opportunity to meet the English competence requirement after their Year 12 results are released. These students may book into the STAT session scheduled on 4 January 2027.

Year 12 students studying **English General, Literature General, EAL/D General** can book into either the 28 November or 4 January STAT sessions if they have permission from at least one of the WA universities. Information about obtaining permission is available from TISC or with the university where they intend to study. Booking forms will not be processed if the student is not eligible to sit.

Students should note that an **A grade in English General, Literature General or EAL/D General** on their final Year 12 report already satisfies the English competence requirement for Curtin and ECU. As TISC cannot access final school grades until WACE results are released, students submitting a STAT booking form should attach a copy of their school results statement

Curtin University has granted permission for any 2026 Year 12 English General, Literature General or EAL/D General student applying to Curtin to sit STAT Written English for the purpose of meeting English competence requirements.

Edith Cowan University does not generally grant permission for Year 12 students who did not attempt ATAR English to sit STAT.

For **Murdoch University and the University of Notre Dame**, STAT is generally not required for admission, as successful completion of Years 11 and 12 in Australia satisfies the English competence requirement.

The University of Western Australia requires students to complete **both sections of STAT** to satisfy English competence requirements. Permission from UWA is usually in the form of a conditional offer letter.

Special Test Arrangements

Year 12 students intending to request special test arrangements for STAT must meet additional requirements.

- **English ATAR students**, where possible, students will generally be provided with arrangements similar to those provided by SCSA for the WACE examinations. Students must submit:
    - A completed STAT booking form
    - A completed Special Arrangements form
    - The SCSA letter confirming their approved examination arrangements
    - Relevant supporting documents

- **English General students** who require special test arrangements should book *as soon as possible*, and provide:
    - A completed STAT booking form
    - Evidence of permission to sit STAT (final school report for Curtin applicants; conditional offer letter for UWA applicants),
    - a completed Special Arrangements form
    - Relevant supporting documents

Capacity to arrange special test sittings after WACE results are released is limited. TISC will prioritise sittings for English ATAR students, as they will not have had an earlier opportunity to book.

8 TISC REPORTS AVAILABLE TO SCHOOLS

TISC will produce two reports for schools concerning their 2026 Year 12 WACE students; the University Admissions Qualifications Register and the University Application Statistics Report. The 'early-bird' fee for both reports is **$160**, if ordered by **30 September 2026.** A standard fee of **$275** is applicable, if the reports are ordered from October 2026 – January 2027.

Both the register and report are dynamic and will be available for download from the secure TISC website from **Monday, 21 December 2026 (12 noon).** The data provided enables schools to calculate their own ATAR-related statistics (eg mean, median, mode) – TISC does not calculate these. Once payment is processed, a login and password will be issued so you can access your school's reports once available.

To order your school's reports, please download the form here and submit the completed form, including payment, to schools@tisc.edu.au. For more information contact TISC on 9318 8000.

Please note that any information released by TISC to schools is made on a confidential basis for educational uses only. On no account can an individual's information be passed on for any purpose without the permission of that individual.

9 TISC PRESENTATIONS TO SCHOOLS IN 2027

Due to the increasing demand for in-person presentations and staff resourcing constraints, TISC is developing a suite of online videos, including a version of TISC's in-person presentation. These resources will be available early in Term 1 2027 in lieu of an in-person presentation.

For schools that would still like to book an in-person presentation there will be a fee of $450 (exc GST). These fees will be used to support an Application Fee Bursary Fund for low socio-economic applicants. More details on this fund will be available in Term 1, 2027.

Schools can also book an online 15-20 minute TISC Q&A session free of charge.

School visits will commence from 15 February 2027. Please note that bookings may be changed for operational reasons, as staff availability is not yet fixed for 2027. However, TISC will contact the school to arrange another suitable time if a change is required.

If schools would like more than one school visit from TISC per year (inclusive of in-person or online), they will be invoiced the $450 (exc GST) fee for each additional visit.

Bookings

Bookings through Microsoft Bookings will open on 1 December 2026.

Microsoft Bookings will automatically send a confirmation email to the email address used for the booking, one week before the booking date. We ask that you consider either using a general school email address that will be monitored or contacting TISC to update the booking contact details if there is a staff change.

If you have trouble booking online, contact TISC on 9318 8000 or schools@tisc.edu.au.

Regional Schools

Presentations to regional areas such as Albany/Denmark, Bunbury/Busselton and Geraldton are scheduled for the following weeks in 2027:

Albany/Denmark: 4-6 May 2027
Bunbury/Busselton: 18-21 May 2027
Geraldton: 8-9 June 2027

A minimum of five in-person presentations per region is required before TISC can confirm the booking. The same in-person fee applies. Regional schools in these areas who would like an in-person presentation should contact TISC on 9318 8000 or schools@tisc.edu.au with 3 preferred dates and times within the relevant week.

Regional and remote schools can also book an **online** presentation via Microsoft Bookings free of charge.

10 PAYMENT FOR THIRD-PARTY APPLICATIONS

TISC is aware that in some circumstances, a school or associated body (e.g. P&C Association) may assist students by paying for their TISC application. If a school is paying on behalf of an applicant, please do not pay online. If payment is made online, a receipt can only be supplied to the applicant themselves as they are deemed to have paid for the application.

Instead, instruct the student to print a copy (or send a screenshot) of their Application Coversheet and supply this to the person making the payment. This person should then phone TISC on 9318 8000 and make credit card payment over the phone. TISC will then have a record of the name on the credit card used for payment.

11 SUBSCRIBE TO TISC UPDATES

TISC Circulars are published online. If you are reading hard copy printed by someone else, consider subscribing to TISC Updates yourself to receive email notification when the next circular is published online.

TISC Updates is a free subscription service, and TISC will email you when school circulars or new information about university admission are published on TISC's website. To subscribe, click *Resources>Subscribe* at www.tisc.edu.au.
